## Media

Each team registration packet will contain one non-transferable team media badge and a copy of the media guidelines. The media representative for a team will be permitted in the designated media access areas only during their team's matches. Team media representatives are not permitted on the playing field surface, the playing field floor, or in any private venues, VIP, volunteer, or judges areas, or the *FIRST* Media Center for professional members of the media. Mascots will not be recognized as an official team media person, unless they are wearing a media badge. There is no special access for media badge holders for final matches.

## Scoring Disputes

All questions about a match or scores must be brought forward to the Referees by using the Referee Question Box located in the competition area. Only one representative from an alliance is permitted to enter the question box, and must do so within the outlined time based on the type of match being played.

**Qualification Matches:** A team must enter the question box to dispute a match within the time period of three matches following the disputed match.

**Elimination Matches/Final Matches:** A team must enter the question box to dispute a match before the start of the next match played by the alliance, regardless of if the team is participating in the next match. The next match played could involve different alliances.

## Parking

Garage and Surface Parking is available around the George R. Brown Convention Center.

## Pits

Each team is allocated a 10 foot by 10 foot by 10 foot (3.05 x 3.05 x 3.05 meter) pit space. Extending beyond your pit space is not allowed and you must set up your pit within your pit area (using the aisles is not allowed). Each pit area will be provided one, six foot table, but will not be provided with chairs. Each pit will have access to one electrical outlet in a dual outlet box. Teams should remember to be gracious in their positioning and usage of the dual outlet box.

Aisles must be kept clear for robot movement, safety, and queuing, so we suggest that team members watch the matches and cheer on the teams at the fields instead of overflowing the pit stations and congregating in the aisles.

There is a 10 foot (3.05 meter) height limit. Structures, signage, or banners cannot be higher than ten feet above the floor. Do not build any structure that supports people or stores items above the work area/pit space. If the height exceeds ten feet, you will be asked to take it down. No advance placement requests are available. Positioning is numerical by division. No requests for displays, additional tables, pit locations, division assignments, meeting rooms, or additional space will be considered.

Please remember that everyone will be required to wear safety glasses in the pit area.

## Announcements

Parts requests will be grouped together and announced every 30 minutes. To submit a request, write your division, team number, and needed part on a piece of paper and give it to the Pit Manager. Additional announcements will be made at half hour intervals as well. Personal and irrelevant announcements will not be made.

PRESENTED BY **BAE SYSTEMS**

### Queueing

Teams are responsible for knowing their match times and will have to queue up 30 minutes prior to their matches without the help of an announcer. For qualification matches, *FIRST* will make every effort to keep close to the published schedules. Keep close watch of the pit display for any moment to moment changes. If your team is one of the first eight matches of the day, queue early enough to be on the field before the competition begins. When queuers come to collect you, please be gracious and don't delay. Not arriving on time for your match will result in match forfeiture.

### Registration and Badging

Please be ready to present you ID when picking up your badge. [Badges can be printed / reprinted with preferred name.]

### Check-in

*FIRST* requires every Championship attendee to be registered and badged, including adult team mentors, youth team members, parents, family members, chaperones, etc. who are participating in the event. Attendee registration grants access to participant-only activities and increases the security of the event.

We strongly encourage your team to complete attendee badging prior to your arrival, as this will expedite your team's attendee badge collection and your entrance to the event.

### Consent and Release Forms

All participating team members and volunteers must complete a current season *FIRST* Consent and Release form. Please do this ahead of the event.

### Pronoun Ribbons

Available at Central Registration and program Pit Admins.
