Venue and Local Information

We are aware of the concerns members of our community have expressed regarding our continuing to host the FIRST Championship in Houston, Texas. We do plan to remain at the George R. Brown Convention Center in Houston for FIRST Championship through 2025, due in part to pre-existing contractual commitments. We are keenly aware of the issues at stake in Texas and other states throughout the country, and we remain deeply committed to supporting the rights of LGBTQ members of our FIRST community wherever they live. We've built a strong relationship with the Houston mayor's office, which is committed to defending equal rights in Houston and has been recognized as one of Texas' strongest advocates for LGBTQ rights. We're proud of the work that the administration has done to advance LGBTQ rights in Houston, and we're proud of their support of everything that FIRST does. In addition, the Harris County DA also supports LGBTQ rights and opposes the recent proposed legislation on transgender issues.

As we have in previous years' FIRST Championship, we will continue to remain focused on ensuring a safe and welcoming space for all participants at every one of our future events. If you have ideas about how we can make our spaces even more welcoming, we would be more than happy to discuss them with you.

Lost and Found

Items for lost and found will be logged in at the information desk located near registration for the duration of that day. George R. Brown Convention Center 713-853-8087 GRBinfo@houstonfirst.com

Items lost under the bleachers: Items of extreme importance such as medication, a purse or wallet, please note where you were sitting and check in at pit administration. Pit Administration will then contact security to retrieve your lost item. For all other items, security will make periodic sweeps and deliver found items to the Lost and Found at the information desk where you can then retrieve your items.

Under no circumstances should anyone but security go under the bleachers.

Parking

[Surface Lot & Garage Parking](#) is available around the George R. Brown Convention Center.

Restrooms

Gender-neutral accommodations available.

Shipping

The George R. Brown Convention Center cannot accept shipments directly. For robot shipping please refer to the program addendum.

Wireless

Free wireless internet access is available in the common areas of the George R. Brown Convention Center. This access is not available on the Pit floor or in the playing field areas of the George R. Brown Convention Center. When not actively using your Wi-Fi, please switch off your Wi-Fi and personal hotspots to benefit robot performance.

Due to the wireless nature of *FIRST* control systems, wireless availability will be evaluated during the event. Teams will not be allowed to set up their own wireless networks at the Championship. While we certainly appreciate the positive potential team-created wireless networks could represent, there is a chance such wireless networks could interfere with planned activities during the event.

Volunteers

As part of our global robotics community, *FIRST*® volunteers build and bolster millions of young people to embrace innovation and collaboration. At the 2023 *FIRST* Championship, you will work side by side with *FIRST* participants from around the world to help build their leadership and problem-solving skills and, their sense of belonging and self-confidence, and most importantly, help them have fun! Join us for the ultimate innovation celebration and build up and inspire the next generation of changemakers. Find out more about volunteering at *FIRST* Championship at <https://www.firstchampionship.org/volunteer>.
